Will do, thanks Casey. To everyone else, welcome and hope you can make an introductory meeting on Wednesday, Oct 13. It looks like Park City can make 1-2:15p, narrowing our window of availability. Is it at all possible that you might be able to join us?

Thanks. While I may be a suitable first point of contact for BLM with respect to sorting through the legal issues and negotiating any administrative orders, please add Glenn Carpenter (or his designee) from BLM and John Isanhart from FWS to future email traffic on this matter. They will have the lead for their respective bureaus with regard to technical and on-the-ground issues. Please also add Dana Jacobsen from our Regional Solicitor's Office in Lakewood. She will have the lead on legal issues affecting FWS. I've copied all of them here.

Hey, thanks for your reply. The purpose is to have a first point of contact amongst everyone after the "activities list" went out - to hear impressions and to discuss the "interests" that parties have identified (which, as per the request in that letter, we are hoping that parties will have distributed by tomorrow).

I'm hoping to confirm the final time for the phone call by COB today (as folks' calendars fill up so quickly!) ...

Thanks Mia. I am currently available on October 13 during the window you identified between noon and 2:15 MDT. Depending on the subject matter of the call, I may need to ask you to invite some or all of my clients (BLM and FWS) and co-counsel for FWS Dana Jacobsen. What is the purpose of the proposed call?
